You deal with me, not a call centre.

Hull Pools is William Lenehan, with 7+ years in residential construction. You deal directly with the person who sorts your pool, from first quote to the day it goes in. Installs are carried out by our licensed builder partners. Every pool is Australian-made and backed by a 25-year structural warranty, with the engineering and compliance certificates your state needs supplied for approval.

HOW IT WORKS

From pick to pool.

Six simple steps. We handle the supply, the paperwork and the delivery, so you always know what happens next.

1 Pick your pool

Choose your model, size and gelcoat colour.

3 Lock it in

A deposit secures your pool and your build slot.

5 Delivery booked

We confirm your date and talk you through prepping the site.

2 Free quote

We come back with a straight, delivered price.

4 Council sorted

We supply the engineering and compliance certificates your state needs.

6 Pool's in

Install it yourself with our support, or we arrange a local crew.
